TIPS & TRICKS

Students preparing to write the Accuplacer admission placement test can find useful resources in the "Writing and Research" menu.

Students who lack specific online learning skills, or general academic or study skills, can find good information to help build their skills on the eLearning Cafe.

The "search" function helps to locate resources on a particular topic posted on the eLearning Cafe.

1 NAVIGATE TO THE WEBSITE

Open browser and type lethbridgecollege.net/elearningcafe into the address bar.

2 CHECK OUT THE MENU

The eLearning & Technology menu is a good starting point if you're new to online learning, technology, and skills. Menu items include links to basic information on how to use the internet, success strategies for online learners, and information about technology and apps available to Lethbridge College learners.

3 EXPLORE ADDITIONAL WEBSITE FEATURES

Note the drop-down menus across the top of the page and the buttons at the bottom of the page, which provide direct access to additional support information.
